Renewed and modernized Integrity E-Learning

In collaboration with the Dutch Compliance Institute (NCI), DSI has completely renewed the Integrity e-learning. This modernized e-learning is designed to raise awareness among professionals about the importance of acting with integrity in their daily practices. Discover more information here.

Development of DSI Financial Crime Professional register

DSI is currently in the process of developing the Financial Crime Professional register, which will establish uniform quality standards for professionals engaged in anti-money laundering (AML). This register will ensure expertise, integrity, and continuous education, with an expected launch in Q1 2024.

Learning objectives for PE 2024 published

The learning objectives of the Continuing Professional Education (PE) program are redefined each year by the DSI Advisory Committees. We do this to ensure that the DSI registers align with current developments and changes in laws and regulations. View the learning objectives for PE 2024 here.

Change in DSI Funding

As of January 1, 2024, our funding structure will undergo a transformation. This change aims to make DSI funding more equitable. We are moving away from participation fees and will evenly distribute our annual costs among the number of certified professionals per participant. What does this mean in practice? Find out all the information in this article.

New DSI Governance

The DSI board has decided to modify the organization's governance structure. The model with a General Board will be replaced by a Supervisory Board with an executive director. The Supervisory Board will come into effect in the fall of 2023.
