The DSI Public Register has been updated

The website of the DSI Public Register has been updated. The new version is faster, more user-friendly, and features improved search functions. You can now easily find the registration number, certification status and PE status of DSI-registered professionals. Explore the updated register on our website.

PE 2025: Discover the learning objectives for 2025

Every DSI-certified professional keeps their knowledge up to date with our annual PE-program. For 2025, the learning objectives have been refined with input from DSI advisory committees and feedback from certified professionals. Curious about the changes? Check out the learning objectives on our website.

Recap of the DSI Anniversary Event

On Friday, October 4, we celebrated DSI's 25th anniversary. We look back with pride on an inspiring day full of valuable insights, interesting conversations, and meaningful encounters. During keynotes, a panel discussion, and the unveiling of three exclusive artworks, we discussed the impact of digitalization, AI, and the role of the investment industry in sustainability.

AI art gallery by DSI

During our anniversary event, we highlighted the impact of digitalization and AI on our daily lives and the financial sector with inspiring keynotes. One of the highlights was the unveiling of three unique artworks, specially created by the AI artists of the Dead End Gallery, commissioned by DSI.

DSI Podcast

At DSI, we explore digital solutions to support both our organization and you as a professional. Recently, we discovered the AI-generated podcast from Notebook LM. Based on the information from [www.dsi.nl](http://www.dsi.nl), we had a podcast created. We were so impressed with the quality that we wanted to share it with you.
